## 4732 Probability \& Statistics 1

Note: "( 3 sfs )" means "answer which rounds to ... to $3 \mathrm{sfs} "$. If correct ans seen to $\geq 3 \mathrm{sfs}$, ISW for later rounding Penalise over-rounding only once in paper.

| 1 (i) | attempts at threading indep prob of succeeding in threading const | $\begin{array}{\|ll\|} \hline \text { B1 } & \\ \text { B1 } & 2 \\ \hline \end{array}$ | in context in context |
| :---: | :---: | :---: | :---: |
